Assessor Comments	Good quality line of NSM Young Hereford cows and calves. Cows present in good condition and are doing a great job on their second calves. Calves are by speckle park & Angus bulls. Cows have really done well since vendor has owned them, they were purchased in light store condition and have grown into nice females. Cows have really good milk and are ready to taken on and continue doing a job on calves and to produce some good calves in the future. Any questions please call myself.
