Assessor Comments	Proven breeders 5-8 years which are a mix of Stonehaven vendor bred and purchased in females PTIC to selected Dunoon & Fernhill sires to commence calving early May on a 60 day joining period of 31/7 - 28/9. Herd was originally based on females predominantly carrying MillahMurrah and TeMania bloodlines with recent infusions of Dunoon and Mundarlo Angus genetics. Buyers note there are 8 cows with longer toes and 3 cows with corns but it didn't impede mobility of females at assessment. Note buyer has option to remove black baldy cow from mob on request. Well bred proven breeders with frame which would be an excellent cow/calf trading option.
