| Handled With | Very quiet young man. Vendors used to give him a brush in the paddock until his horn size became a bit unnerving. Wouldn't be hard to get him used to having a brush & a pamper again - stood still in the race for a brush and loved every minute of it. |      |                |      |                 |      |

| Assessor Comments  | Hamish is beautiful 3 year old Highland Bull. Purchased locally, direct from his breeder as a weaner. Hamish has correct, even horn structure, goo depth, with a strong, square back. He isn't overly tall, and would suit a buyer wanting to put him over some young heifers or cows, without getting too much height about the progeny.                                                    |
