Assessor Comments	Good quality proven breeder "R"drop young cows. All cows were purchased from renowned cow herds in western districts as weaners and have had 2 calves already and present in good condition. They had their second calf weaned off them last week and all are PTIC again with high marbling Wagyu bulls used with a tight calving window, vet scan indicates 29 sep until 27 oct, please see attached document. Only offered due to seasonal conditions otherwise would be retained to produce F1 Wagyu Angus progeny for high end beef. These young cows are quiet and are a pleasure to handle and would be a welcome addition to any herd, ideal young cows with the hard work all done. A full animal health program is in place with all treatments and vets calving dates attached to the assesment. Please note vendor has 2 other lots of PTIC young Angus cows totalling 33 head on offer.
