Handled With	Majority of heifers were pleasant and easy to handle up race and crush with the odd heifer slightly stirring. Once released into bigger yard with mob all heifers settled nicely. Bikes		

Assessor Comments	A good quality line of predominately Droughtmaster heifers with Glenlands bloodlines, showing good bone, length and shape. Heifers have been running on lighter country and present in good store condition with a shiny coat. Heifers will continue to go forward with favourable seasonal conditions. These easy doing heifers would be suitable for future breeders or to grow out as heavy feeders or to slaughter weights. NOTE: odd heifer suffering fly bite marks.
