A excellent run of heifers with exceptional temperament, cattle are often weighed and handled through the yards regularly as this stud is owned by a local high school. Stirry cattle are not tolerated as they they are always in contact with students. Heifers flow through yards well and were easy to weigh. A very good line of easy going heifers for persons with less experience with stock.

Assessor Comments Annual sale of a small line of pure shorthorn heifers can be registered with the society presenting in forward condition heifers have all been weaned and going forward. Heifers are stacked with genetics, calves are A.I sired by Spry Cracker Jack, and backed up by Furtruity Quombone. Heifers are out of reputable bloodlines such as Spry Kamilaroi Shorthorn blood cow base. Heifers have all been worked and handled by school-children and temperament is an absolute feature. Buyers a good run of heifers that are surplus to requirement of the stud that will suit to register back to a stud as stud future breeders or keep commercial stuiable shorthorn female replacements. Heifers are a pleasure to handle and will a valuable asset in future.
