Assessor Comments	Buyers an opportunity to buy 4 decks of VGQ PCAS eligible Charolais X weaner steers. These weaners have all the right bloodlines and genetics and are best described as medium to large frame relative to age. Weaners have been weaned for over a week to two weeks at delivery and are very well educated by vendor through yards. A very reputable line of cattle for sale that will be ideal to put away on grass and grow out to heavier weights. Steers have a good performance record and will suit to grow out to heavy feeders or grassfed bullocks. There is 4 x steers with a slight wheeping eye all not seen as problem at assessment but will be monitored for delivery. Note 2 x family brands in this line.
