Heifers did get a bit flighty when I first entered the yard but settled shortly after. Were very good to handle up the crush.

Assessor Comments	A nice line of well bred Angus and Angus/Hereford X heifers presenting in fresh condition. Heifers are well grown and are ready to join with bull of choice or go on as feeder heifers. Heifers were very good to handle at assessment but did stir a little when I first entered the yard. Heifers are by Glenisa Angus and Remolea Herefords and have NOT been near a bull. Please Note: 3 heifers have blight scarring, refer to photos.
