Handled With	Bikes , Dogs , Horses
Assessor Comments	A nice quiet group of mostly medium framed mostly cross bred steers, that will benefit greatly from a move to improved country especially, or would be ideal to put on a grazing crop. The steers should grow out well as either grass fed steers or feeders. 8 of the steers would be Bos Taurus , one is out of a cross bred and is Baldy with the tail markings of a Pinzgauer, the rest are out of Angus cows by a Santa bull. At assessment, one steer was seen to have a single wart near the eye, see photos (Baldy steer)
