	On foot					
Notable Traits	Traits					

Assessor Comments	Very Good Quality feeder weight Angus Steers 380-500kgs ave 420kgs empty. Purchased from the breeder at Binalong in Feb 23 as light weaners. Alloura and Knowla Blood. Have grown into ideal feeder types with soft thick coates and frame to feed on. Very quiet to handle have been well educated. Would be as good as steers as i have had the pleasure to assess.		
Assessor	David Benson (Level 2 Accredited)
