Assessor Comments	A very good line of 1 brand Charolais, Simmental Cross Heifers. Heifers purchased ex Dalby District and show very good bone, muscling and quality of breeding. Bulls purchased from Simmental - Lucrana, Charolais - Palgrove & ANC. When purchased cow herd described as Charbray, Charolais Cross but appears to be Santa, Droughtmaster influence through some. Please see photos and videos for full description. All heifers either polled or very well dehorned. A very good draft of heifers suitable for trade/export feeders or take through to heavy kill cattle or a basis for a very good breeding herd.
