Handled With	These steers were easy to work through yards however did look to rush between pens & force. Steers settled in the time before taking photos and with further handling should mature into quiet cattle.

Assessor Comments

Very good line of Charolais Steers all weighed 405kgs Av at assessment. These steers are by the Sorraghan Charolais bulls, steers have plenty of frame and will be suitable to fatten on pastures or suit a feedlot.
