Handled With: Bikes , Dogs

Assessor Comments: The Glare family are offering their annual sale of surplus Angus heifers. 15 years of Landfall genetics, with a small influence of Coolana & Lawson genetics 10 years ago. The Landfall Sires are selected for IMF, Positive fat & fertility. Due to the high fertility of this herd, any heifers that are preg-tested empty on their first joining are sold. Run at high stocking rates these heifers present is store condition & would be ideal cattle to feed on, or use within your own herd.
