Assessor Comments	A genuine line of 220 x Aug/ Sep 2020 drop NSM Merino Ewes. Ewes were purchased as ewe lambs in 2021 from 'Wirruna' at Young and subsequently joined to Wee Jaspers merino flock. The ewes have been joined annually and are offered for sale due to a change in direction. Ideal ewes to join to either merino or terminal sires. The ewes are medium to large frame and should join well given the time of year, Wee Jasper has yet to experience an autumn break of note and the ewes present in store to mostly forward store condition. For buyers wishing to buy, SELX, Yass is 50km away and has trucks leaving to all major destinations. Good ewes worthy of attention and offer buyers a join, lamb, shear, trade option or they are good enough to join and retain for another year or two as merino breeders.
