Assessor Comments	A neat run of young ewes with a big rebate on their back. These ewes are Snowy Plain/Snow Vale Merino blood and are only being sold due to surplus to requirements. Ewes are in forward condition and are ready for the ram of choice. Rams that sired these ewes were selected on wool cut, wool quality and carcass. These ewes have produced a good lamb each year as well as cutting a solid 5.5kg fleece at 18.9 micron. Great opportunity to buy for a short trade or to retain as part of a Merino breeding enterprise. Please note: Vendor also has 247 wether lambs in the National Lamb Sale today.
