Assessor Comments	Buyers, here is your opportunity to purchase a line of good quality EU, Grasslands accredited backgrounder steers that will do any job you require. Shadyland PTY LTD have been breeding DROUGHTMASTERS for over 60 years with their SWAN Prefix. These steers are in good store condition and are ready to power ahead given the opportunity in good feed. They show good length, bone and depth and would be ideal steers to take through to heavy feeders or target the EU, Grassfed fat markets. They have a live weight range of 272kg to 389kg and have an average weight of 335.7 at delivery. Buyers, please note that these steers have been late cut being castrated in January 2024, there are a small percentage that are slightly harder in the body however, are expected to soften out well. They have been pretreated to assist tick free buyers with tick clearing protocols.																																
Assessor	Alex Dodson (Level 1 Accredited) Phone: 0437 837 520
