Assessor Comments	A very good line of Crossbred Steers. 1 brand account breeder. These steers are just the coloured steers out of another line of Angus, Angus Cross Steers this sale. Steers are well grown and show very good muscle and bone. Very good temperament and being weaned until delivery. i have deducted 4% weight loss from assessed weight and buyers to factor in any weight loss due to weaning. Steers will be fed very good hay, cotton seed, silage and grain while weaning. Steers suitable to take through to trade/export feeders or heavy kill cattle. Note - Vendor has another 51 Angus, Angus cross steers this sale. Buyers please note - if good rain comes in as predicted steers will be let out of yards into a holding paddock with good feed. Supplementary feeding will continue.
