Assessor Comments	A very good quality line of weaned heifers ranging from strong forward store to approaching prime condition. Very good bone and conformation with most (24) medium frame and 2 large frame. Will suit a range of options, the top end would suit as future breeders but all would background to domestic feeder weights or grow out to domestic slaughter weights. Please note these heifers were assessed at vendors property "Wilga Grove" at Goondiwindi (QEWM0456) but will be delivered from another vendor property "Westbank" Athol (West side of Toowoomba QHJD0725). Note other lot this sale same vendor, 26 steers.
