Assessor Comments: A very good line of Angus and Angus Cross Weaner Heifers. Lead draft of vendors heifers with none being retained in herd. Heifers are well grown, show good bone and type. Heifers out of a principally Angus, Brangus and Santa Cow herd and breed by bulls based on Te Mania bloodlines. No bulls have been with these heifers. Quality heifers suitable for trade feedlots or take through to heavy feeders or heavy kill cattle. Would also make a very good line of future breeders. Note vendor has another lot of heifers and 1 lot of steers this sale. Note - Extended delivery time - vendor away next week
