Assessor Comments	Buyers 24 Angus steers 311kg average, 283-339kg at assessment. These steers were purchased and put together in October 23 from the Tenterfield and Gloucester areas and were marketed as being Sugar Loaf, Knowla, Glenisa & Hazeldean Angus blood steers. They were purchased with 32 other steers (also in todays sale) as light calves and were put away on grass country. They have done very well and will provide todays purchaser the opportunity to take these steers and put on crop etc. They should not disappoint if given the opportunity. Please note at least 4 steers seen with white on his cod or belly, and 2 blue eye scaring. Very quiet steers to handle.
