Assessor Comments	Good opportunist heifers that are really on the improve over last 4-6 weeks. Heifers are starting to really clean up in the coat. Big upside in these cattle given the opportunity. Early weaned heifers that have been away on agistment and have responded well since arriving home. A light deck of heifers to go onto crop and respond without any setbacks. Out of well bred medium frame cows by Eaglehawk and Coolie Angus Bulls. 19 heifers with blue spot or cloudy eye. 2 with turned or missing eye. Vendor has 34 steers in same sale.
