|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Assessor Comments  | An excellent line of 26 angus weaner steers averaging 256kgs at assessment, pure Stoneyfold Angus Blood. Stoneyfold Angus was one of the first commercial registered angus herds back in 1949 then becoming a registered stud herd in 1966. These cattle are of the highest quality and will do every day you have them. Steers present in store condition and will not disappoint. Please note Stoneyfold have another 24 top draft angus steers in the same sale. An opportunity to put 50 vendor bred weaner steers together. |
