Yards	Crush	Paddock
Quiet: 15 head Slightly Stirry: 3 head	Quiet: 15 head Slightly Stirry: 3 head	Temperament not assessed in Paddock

Calves were very quiet throughout the entire handling.

Handled With Bikes , Vehicles

Assessor Comments	An exceptional line of March/April '23 drop Angus heifers. These heifers were yard weaned in mid December, and have had all the health treatments to please any discerning buyer. Heifers have been bred from A.I sires targeting 600 day weight and Carcass traits. A pleasure to work with in the yards and holding pens, and given the opportunity they would suit a future breeder or grow into heifers for a trade or heavy kill job.
