Assessor Comments	Drafted to be 1 deck of vendor bred Steers and the first draft of the 23 Drops. A quality line showing the long dry summer. Presenting in store condition they represent a great opportunity for a variety of outlets going forward. They will be very responsive to quality feed. Light ringworm was noted in the mob. If the 36 do not fit on 1 deck buyer will not be held accountable to buy the outstanding number, purchase only what loads on 1 deck. Please note vendor has 1 deck of heifers in same sale making a neat 2 deck line.
