Nebraska. worked well during assessment considering a calf at foot she was easy to draft off from the others in group and worked well through the process. No concerns

Handled With	Bikes , On foot , Vehicles
Assessor Comments	Nebraska is a first calf Heifer with a bull calf at foot and preg tested 4 months plus to Dorroughby Recruit. She is a good frame breeder and doing a great job on her bull calf (U36) . This would be a great purchase as buying a 3 in 1 lot. As all females in the stud, they have all been tested for DNA Horn & Genetics(see photos). Watch the video and you can see the quietness of this Heifer & Calf, you have the opportunity to purchase this young breeder who has a bull calf at foot and a positive preg test 4 months plus. Sweet Acres Speckle Park Stud have 11 Heifers & Calves as well as 8 PTIC Heifers in this sale.
