Assessor Comments	A great line of 61 Angus females (2 lots run out the gate) that have been AI'd To Millah Murrah Rector R53. AI'd on 6th January 2024. All health treatments up to date. Females handled very well through the yards and the paddock, they are handled regularly, so are extremely quiet. These are females i could send to anyone and they would be very happy .They are medium to large frame females, big and roomy females with lots of growth potential. These females will calve out over a very small time frame. The sires birth weight was only 33kg , a perfect heifer sire.
