Temperament

Yards	Crush	Paddock
Quiet: 5 head	Quiet: 5 head	Temperament not assessed in Paddock

Cattle were very quiet and easy to handle. Could easily be described as docile but Buyer must recognize that they have never been on a truck or left the property which can occasionally be problematic.

Handled With: On foot , Vehicles

Assessor Comments: An opportunity to buy a small group of very well bred, mature, Red Angus Cows with thumping big calves at foot and rejoined to the same Barragowa Bull. True 3 in 1 outfits. Excellent temperament and would be an ideal foundation for a small Red Angus herd. Please note, Calves have been marked and drenched but not vaccinated.
