	Tania was a good heifer to handle, she walked well and was easy to separate away from the mob when time came for assessment.		
Handled With	Bikes , On foot , Vehicles		
Assessor Comments	Tania is a good strong young Heifer getting close to calving. She shows maturity and good growth for her age. Good bodied and developed. This heifer has been tested for Genetic & DNA Horn (see photo). This Heifer was quiet and easy to handle. This is an opportunity to purchase a developed Heifer close to calving, would be a great addition to your herd. Sweet Acres Speckle Park Stud has 6 PTIC Heifers & 8 Heifers & Calves also PTIC.
