Handled With	Sky, was very quiet o handle during assessment process. We had no concerns with her or the Bull calf. Bikes , On foot , Vehicles							
Assessor Comments	Sky is a good, framed Heifer doing a great job on her Bull calf(registered), and to be back in calf again close to 5 months. She walked well and handled herself through the yards and crush without a problem. This would be a excellent purchase with the registered Bull calf and well in calf again would work out to be a great package deal. As per photo's Bull calf had small blight problem and has now been treated, patch will be removed prior to delivery. As all their listed stock in this auction they have all been tested for DNA Horn & Genetic testing(see photos) .Sweet Acres Speckle Park have 8 heifers & Calves & 6 PTIC Heifers in this Auction
