Assessor Comments	Amys Girl is a nice Heifer that has not long calved to a heifer calf(V5) which is awaiting registration. Calf was not NLIS Tagged at assessment. This heifer is of good frame and doing a good job on her first calf, she had a blue spot in left eye which has been treated (see photos) and seems to be no concern to her. She was quiet to handle and worked well through assessment. As only recently calving she is NDP but has been running in paddock with Dorroughby Recruit. This heifer also has had the DNA horn & Genetic testing done (see photos), This is a good heifer to add to your breeding program with a good heifer calf at foot. Sweet Acres Speckle Park have 8 Heifers & Calves & 6 PTIC Heifers in this Auction.
