Extremely quiet line of heifers that have been well handled and managed as shown in video footage and photos.

Handled With	Bikes , Dogs , Horses , On foot , Vehicles
Assessor Comments	A Quality line of quiet Angus Heifers. These Heifers are mainly bred by AI sires and in calf to LBW Black stump Angus bulls with emphasis on confirmation and softness with high growth rates. A big advantage with this lot is that 6 week joining and to calve first week of July . I highly recommend these heifers for breeders . NOTE some Heifers are showing white around the udder.
