Assessor Comments	Quality line of Angus & Angus x PTIC cows and calves. These large matrons come from the well known Glynn herd. Proven breeders that do a great job as you can see with the calves that are on them now. These cows wouldn't normally be sold at this age but are on the market to make room for younger stock. These sappy calves are by a Angus bull and a 75% Angus & 25% Limo bull. Great cows to take on and wean the calves in the near future and calve the cows down again with all the hard work already done. Cows due to calve late Aug-Oct to a Ireland blood Angus bull. Cows have had a full 7in1 program and calves have had 2x 5in1.Please note there in 1 Grey coated cow & calf.
