	Slight lack of handling within the yards has made these females agitated within a confined area, although I cannot be too critical as they were concerned about their calves whilst separated. I believe with time, consideration and handling these animals will become more respectable.

Assessor Comments	RNS Pastoral Company are offering a nice line of Angus Heifers & Calves that are ideal for an Autumn calving operation. These females were purchased from the Euroa Feature Female Sale in December 2022 as NSM Heifers from local producers Harold & Annette Cocking T/As Black Magic Angus & Xinda Group. Vendor had these animals in an ideal calving condition with all Heifers calving unassisted. Calves are sired by registered Scotts Angus Bulls and present in a fresh sappy condition. On the back of a very nice Autumn break it presents a fantastic opportunity to purchase these young females to compliment an existing operation or begin a new venture. Please note; Vendor is willing to transport this consignment free of charge within 150km.
