Heifers handled well, especially for Northern cattle. Moved freely through each yard without too much rush. No banging hips on gates, or climbing over one another. Led up the race very easily, mostly self feeding through and not needing too much hassling. All stood well on the scales, and exited sensibly. Cattle that were easy to handle through entire assessment.

Assessor Comments	Long bodied females that were joined with the purpose of throwing marble & softness in to their 75% Wagyu calves.
