| Assessor Comments             | A line of Quality Angus heifers that present in good store to forward store condition These heifers would make a good line to join to a bull of your choice or take onto the heavy feeder job. All heifers have been weight with a 16hour curfew to avg. 365kg with a low weight of 328kg and a top of 406kg. These heifers were purchases and should be 14 to 18 months of age. Please note a few have white underneath and the odd old blue eye. |                                                              |                                     |
