Assessor Comments	A small line of Vendor bred Speckle Park cross weaned steers weighing 246 - 378kg to average 279.3kg at assessment (full weight), with a projected delivery weight of 265.4kg. Please note the calves have been taken off their mothers at assessment and will be weaned up until delivery - no allowance has been made for weight loss during this process - make your own allowance. The calves were very good to handle during the assessment with the vendor regularly handling his cattle with bikes and dogs. Weaners presented in fresh condition at assessment and show good growth for age.
