Assessor Comments	Quality Angus Calves. There are 2 steers with pink eye scaring in one eye and1 steers with a blue eye. These calves are out of good frame station bred cows with great genetics. These calves are sire by Dunoon Angus Bulls. These steers are of outstanding quality with plenty of shape and bone. These steers are some of the best steers I personally have seen for some time. The steers were yard weaned at assessment and will be until delivery. Vendor has 2 other lots in same sale.
