Assessor Comments

TATTON TITAN SIRE -Maungahina Premier P203 Dam - Waratah Ursula P86 Comments below from sale catalogue Titan is a classic heifer bull, moderately framed with a high motility score, he is ready to go to work. Titan has great presence, deep good length of hip and wide through the Thurl. Add to this excellent feet and legs, a remarkable disposition and a quality EBV profile that screams profit. With short gestation and excellent growth through to 400 days. Titan is perfectly placed to meet many production system requirements.
