Assessor Comments	Very tidy line of Angus cows. Cows are all coming to their second calf and all reared a calf successfully in their first year. Cows are of good medium frame with a sprinkling of large frame cows throughout. Continuously running with Eaglehawk and Coolie Angus bulls. Cows were good to handle through yards some cows agitated on weigh platform due to being preg tested same day. 6 cows with small blue spot in eye or cloudy. 1 cow small amount of swelling under jaw. Not considered detrimental will be monitored prior to delivery. 3 Cows slight slick skin and 1 BB cow. ideal cows to take on and calve and trade or top up existing herd.
