Assessor Comments	**POTENTIAL 3 in 1 UNITS** A top quality line of Angus Heifers & Calves. The Heifers present in forward store condition & averaged 510kg; after an overnight curfew. The 'Moongenilla' Angus Blood Calves are fresh & sappy weighing an average of 190kg. The Heifers have been re-joined to TWO 'Moongenilla' Angus Bulls from 25/12/23 for 8wks. These young females have plenty of frame & class, showing great maternal traits by doing a fantastic job on their first calves (at foot). These potential 3 in 1 units represent value with quick ROI & multiple options moving forward - on-sell/trade or retain.
