Notable Traits	Traits 4 Head Mild Pink Eye Scaring		
Assessor Comments	An excellent quality run of PTIC Angus heifers joined to the Ardrossan bulls for a mid-August/Sept calving and presenting in very forward condition with plenty of frame and shape. Bulls are purchased with a focus on temperament, carcass and growth and well as maternal traits. These heifers would be an asset to any enterprise and will continue to grown into large framed matrons if given the opportunity. The heifers are sold annually as they are surplus to requirements.
