Vendor Comments

He's been an excellent Bull to own. 100% join rate, and haven't pulled a single calf. Will be sad to see him go.

Handled With	Very quiet natured Bull, as you expect from the breed. Easy to walk around the small paddock for photos. Never been any trouble in the yards or paddock, alone or with other cattle. Just a genuinely easy bull to handle.

Assessor Comments	Nice young bull that boasts a good genetic history, being bred from the original Murray Grey Herd - Thologolong Murray Greys. This Bull was one of the last Bull's bred, and offered for sale by the Sutherland family, and was the pick of the stock that year, selling for \$6000 as a yearling. This healthy young sire is structurally correct, with good length and strength of spine and a very good sires head. He's deep and compact, with a thin, slick coat, heavy skin & soft fleshing style. With an outstanding strike rate, joining every heifer/cow he's shared a paddock with, and never having to pull a calf. This young, proven sire is an excellent example of his breed with an excellent temperament to match his looks. Highly recommended.
