Handled With	Bikes , On foot , Vehicles		
Assessor Comments	3 for 1 opportunity. 4 EU Accredited, registered Angus Cows with Heifer calves at foot, PTIC to Mandayen and Glatz's Black Angus Bulls. Tipping the scales at an average of 603kg at assessment, with calves ranging from 165-208kg, these cows are PTIC back in calf 8-10 weeks to Glatz's Black Angus S32 & Mandayen S566. These 3 in 1 units are packed full of genetics, and the opportunity to purchase quality lots like these don't come very often. This mob of 4 PTIC cows with Heifer calves at foot have great temperament and are a pleasure to handle. All the hard work is done with these EU accredited cattle, already having had their 7 in 1 and Pestiguard. These units are perfect for a purchaser looking to add quality genetics to their operation and are a great option to increase your herd size. The vendor also has other lots in the same sale. *Please Note- If successful purchaser is an Angus Society Member seeking transfer of registration, an additional cost of \$500/head will apply.*
