Assessor Comments: This is a rare opportunity to purchase a VGQ line of Angus composite #3 heifers from the Rangeland breeding herd. Organic certified, EU, USDA & GAP certified, "Wetlands" cattle are renowned for their disciplined breeding program, with proven results. Vendors have been committed to a strict 6 week yearling joining period since 1997. These heifers have be preg tested empty and would be ideal for replacement breeders, or to be taken through to the heavier organic kill job, onto grass or oats. Please note vendor has another two lots in the same sale.
