Assessor Comments	Buyers an opportunity to secure a good line of PTE xbred heifers. Heifers present in good store condition and have powered ahead after arriving from vendors Forrest block at Augathella. Heifers drafted in a tight range to suit domestic feeder market or alternatively would make ideal oats heifers as they have frame & no fancy condition. Note one heifer missing part of her tail, 2 having slight blight scarring in 1 eye and a couple showing fly rub marks, not considered detrimental. Heifers part of a total mob of 150 that will be drafted on a run out the gate basis into a 3 deck & a 2 deck lot.
