Assessor Comments	On offer is a neat line of 10 weaned Angus heifers that would be ideal to take forward as future breeders or to fatten. These heifers show good weight for age and are in good forward/store condition.They are sired by Kilburnie and Coolie Angus Bulls and have the genetic capacity to reach feeder, domestic and export weights.They have a nice style about them and were very good to handle. Please note I noticed 1 heifer with a slight old pink eye scaring; not deemed detrimental. Also note the same vendor is also offering 10 steers in this sale being the brothers to these heifers.
