Notable Traits

Traits

Assessor Comments	A nice little line Angus Weaner Steers. Steers are only 9-10 months of age and are based on Landfall Keithstone and Bongongo Bloodlines and are very nice fleshy steers with plenty to like about them. Steers have a nice deal of shape and type to them to take out to very neat heavy trade bodies or heavy weight bullocks. Steers with a great temperament and a pleasure to handle. Note vendor has a line of Shorthorn steers in the same sale.
