| Assessor Comments  | Here's a good line of vendor bred Angus steers by Ardrossan Angus bull. They display good bone and depth and softness in coat. These steers are in forward condition and will keep bounding forward shown the feed. Steers were weaned 10 days ago into yards on quality hay and handled. They were good to handle through the crush and walk through. Small tail removed. These are a nice pen of steers. Note 19 sisters are in same sale. 1 steer had slight blemish on eye. |  |  |
