| Assessor Comments  | Offering a genuine line of Angus heifers, these heifers present the opportunity for buyers looking for a quality line of females to join to the Bull of your choice or simply take on to heavy feeder weights given the opportunity. These heifers were purchased in last November as a line of vendor bred heifers from Bundella NSW, in that short time they have performed and continued to go forward in their growth and condition and have lovely soft feminine features along with good frame and structure. Please note 1 with white near udder and 2 with old pink eye scarring not deemed detrimental Please also note a small lot of 4hd was drafted off at assessment and is available in the same sale |
