Assessor Comments	39 Angus Steer calves Spring born , 7 - 8 months old. Have recently been paddock weaned and haven't looked back since. These steers are A.I bred and by sires Millah Murrah Kruse Time K400, Ardrossan Honour H255 and Murdeduke Kicking K428. Cows were then backed up with Cheltenham Park Angus bull M11. A nice consistent line of well bred Steers that would grow out nicely to feeder weights or take on longer to that next stage through to bullocks. Vendor has good reputation locally for good doing well bred cattle that are well handled with no fuss. Please Note= Vendor has another 2 lots offered in this sale.
